

OFFICAL PRESS RELEASE FBME BANK LIMITED CYPRUS BRANCH

08.09.2014

We refer to our Press Release of 01.09.2014 and in particular to the section “Services currently available” and we would like to advise our customers that the arrangement for having access to these accounts by issuing to them cheques in favour drawn on a bank in Cyprus up to €10,000 is working smoothly.

We would like to clarify that this arrangement was put in place to service our customers **IN CYPRUS ONLY**. Cheques cannot be sent abroad at this stage. As we already announced our SWIFT system is still kept shut by the Statutory Manager appointed in Tanzania and this prevents us from servicing any of our customers abroad.
